The term of the 2005-2008 Agreement shall commence on January 1, 2005 and be effective through December 31, 2008. Rate increases and new working conditions are effective as of July 29, 2005. In the event either party has not served appropriate timely notice of termination for the expiration

date above, the Agreement shall be extended on a day-to-day basis until sixty (60) days after either party serves written notice of termination on the other.

7. PRODUCER'S DUTIES

- A. Producer will not enter into any agreement with or employ any Performer for the production of Material for Interactive Media upon terms and conditions less favorable to the Performer than those set forth in this Agreement.
- B. No waiver by any Performer of any provisions of this Agreement shall be effective unless the written consent of SAG to such waiver is first obtained.
- C. Nothing in this Agreement shall be deemed to prevent any Performer from negotiating for and/or obtaining from Producer better terms than the minimum terms provided for herein.
- D. Nothing herein shall obligate any person, firm or corporation which may be affiliated with Producer (including but not limited to parent and affiliated corporations) to either comply with, negotiate with or become a signatory to this Guild Agreement or any other Guild agreement or other agreement of a controlled, allied or affiliated union.

8. ADMISSION TO PREMISES

Any authorized representative of the Guild shall be admitted to the premises of the Producer or where the rehearsal or production of Interactive Programs takes place, at any reasonable time to check the performance by the Producer pursuant to this Agreement subject to product security or clearance restrictions; such checking shall be done so as not to interfere with the conduct of Producer's business.

9. UNION SECURITY

Producer agrees to report to the Guild in writing within fifteen (15) days of the first employment of a non-member of the Guild, (or within twenty-five (25) days of the first employment of a non-member of the Guild on an overnight location), giving the non-member's name, address and telephone number, Social Security number and his/her first date of employment. Any inquiry by any Producer to the Guild as to the first date on which a Performer has been employed in the industry shall be answered by the Guild, and its answer shall bind the Guild, and the Producer, if it acts in good faith, shall not be liable for acting on such answer, but the Producer who fails to report shall be liable to the Guild for such failure to report. The inquiry provided for in the preceding sentence may be made before, on or one (1) business day after the date of employment.

As used herein, the term "member of the Guild in good standing" means a person who pays union initiation fees and dues in accordance with the requirements of the National Labor Relations Act.

Until and unless the Union Security provisions of the Labor Management Relations Act, 1947, as amended are repealed or amended so as to permit a stricter Union Security clause, it is agreed that during the term of this Agreement, Producer will employ and maintain in Producer's employ only such Performers covered by this Agreement who are members of Screen Actors Guild in good standing or those who shall make application for membership on the thirtieth (30th) day following the beginning of employment hereunder or the date of execution of this Agreement, whichever is later, and thereafter maintain such membership in good standing as a condition of employment.

In the event that said Act is repealed or amended so as to permit a stricter Union Security clause, the above provision shall be amended accordingly. The provisions of this Section are subject to such Act.

It is understood that it would be impossible to accurately fix the actual damages suffered by SAG by reason of a breach by a Producer of the provisions of this Section 9. It is therefore agreed that Producer will pay to SAG, as Liquidated Damages, the sum of Five Hundred Dollars (\$500.00) for each breach by Producer of the provisions of this Section 9. Any breach of the provisions hereof shall be deemed a single breach, regardless of the number of days of employment involved in the hiring; but each separate hiring of the same person in violation hereof shall be deemed a separate breach.

10. PREFERENCE OF EMPLOYMENT

- A. In recognition of the services performed by professional Performers, Producer agrees that in the hiring of Weekly Performers, Three-Day Performers, Day Performers, Singers, Dancers, Stunt Performers, Puppeteers, and Background Actors employed for the day for work to be performed within the 300-mile, 75-mile or 50-mile zone as the case may be, referred to in Subsection C. of this Section 10 ("preference zone"), preference will be given to Qualified Professional Performers in each such preference zone who are reasonably and readily available in such zone.
- B. The obligation of the Producer to give preference to Qualified Professional Performers shall require the employment of a Qualified Professional Performer in the hiring of a Performer employed as a Day Performer, Weekly and Three-Day Performers, unless no Qualified Professional Performer of the type required is reasonably and readily available to the Producer through the use of the present hiring practices generally and customarily followed by the Interactive Media industry. If a Qualified Professional Performer is reasonably and readily available to the Producer for employment in the locality where the Producer's production facility is based, he/she shall be deemed available regardless of the place within the 300-mile, 75-mile or 50-mile preference zone, as the case may be, at which the services are to be performed.
- C. For the purpose of this Section 10, the preference zones are:

2. A person portraying himself/herself, or persons portraying themselves; the exception will apply in effect to important, famous, well-known or unique persons of special skills or ability who portray themselves;

6. Children under the age of eighteen (18); and
7. The owner of special or unique vehicles or equipment, or an operator appointed by the owner if such vehicle or equipment is not available to the Producer without the employment of the owner or such operator.

If a Performer is employed under one or more of the exceptions provided for in Subsection 10.D, above, the obligation of the Producer to give preference to Qualified Professional Performers in the cases provided in Subsection 10.A, above, shall nevertheless be applicable to any subsequent employment of such Performer by Producer. Producer agrees to promptly report to the Guild each hiring under the provision of this Subsection D together with the reasons why the person employed comes within such provision. A joint Producer-Guild Committee shall be appointed to resolve claims arising under this Section 10 between Producer and the Guild.

- E. Nothing contained in this Section 10 shall alter or modify Producer's exclusive right to cast any and all Performers performing services for Producer.
- F. It is understood that it would be impossible to accurately fix the actual damages suffered by the Guild by reason of a breach by Producer of the provisions of this Section 10. It is therefore agreed that the Producer will pay to the Guild, as Liquidated Damages, the sum of Five Hundred Dollars (\$500.00) for each breach by the Producer of the provisions of this Section 10. The hiring by Producer of a Performer in violation of the provisions hereof shall be deemed a single breach, regardless of the number of days of employment involved in the hiring; but each separate hiring of the same person in violation hereof shall be deemed a separate breach.
- G. A breach of this Section 10 is subject to arbitration between the Guild and Producer.

11. PEOPLE COVERED

No services of any Performer are excluded from the scope of this Agreement unless specifically waived by the Guild, however, excluded from this provision are skilled technicians when the context of the script requires special understanding and expertise which cannot be realistically portrayed or narrated by the Performer. The Guild reserves the right to review these exceptions in the event utilization becomes excessive.

12. RIGHTS

- A. In consideration of the initial compensation paid hereunder, Producer may exploit the results and proceeds of Principal Performers' services in the Interactive Programs for which the Performer was employed in all Interactive Media as defined in Subsection 4.C (i) including the right to adapt such Interactive Programs for any and all Platforms and, if Producer pays the additional compensation specified in Subsection 15.C, Producer's rights shall include Remote Delivery and/or Integration as defined in Subsection 4.C (ii) and 4.R, respectively, above. It is understood and agreed that Producer will have all of the foregoing rights, without payment of any additional compensation, with respect to the results and proceeds of the services of Performers who are not Principal Performers.
- B. Producer also will have the right, without payment of any additional compensation except as provided in Section 14 below, to: (i) use Interactive Material for reference, file, private audition

purposes, and for customary industry promotional purposes within the "trade" (i.e., at sales conventions and other events within the Interactive and entertainment industries); (ii) use and give publicity to the Performer's name and likeness, photographic or otherwise (including the use of stills and lifts in product packaging and in print) to advertise and promote the applicable Interactive Program including the use of excerpts of Interactive Programs at point-of-purchase to promote the sales of Interactive Programs.

13. REUSE OF MATERIAL

- A. Producer shall not re-use any part of the photography or soundtrack of an Interactive Program produced hereunder containing the results and proceeds of a Principal Performer's performance ("Reuse") without separately bargaining with the individual Principal Performer appearing therein and reaching an agreement therefor. The foregoing requirements shall be applicable to a Principal Performer only if the Principal Performer is recognizable, and to stunts, only if the stunt is identifiable. The foregoing requirements shall not be applicable to Background Actors and shall not limit Producer's right to acquire Integration rights from Performers or to utilize Interactive Material in any manner otherwise authorized under the terms of this Agreement.
- B. The Day Performer rate for the field in which the Interactive Material is re-used (i.e., broadcast television, radio, etc.) shall be the minimum for purposes of the bargaining referred to above with respect to such Reuse of Interactive Material in accordance with the applicable Guild agreement unless compensation for such other use is provided for herein.

SAG may, at its discretion, grant waivers of the requirements of this Section 13 with respect to the Reuse of Interactive Material containing a Performer's performance in public service, educational and like Linear Programs, and will follow a liberal policy in granting such waivers.

- C. If Producer fails to bargain separately with the Performer as provided herein, or if Producer and the Performer bargain but are unable to reach an agreement, consent for such Reuse shall not be deemed to have been given by the Performer. In the case of violation of the foregoing, the Performer shall be entitled to damages for such unauthorized Reuse of his/her performance equivalent to three (3) times the amount originally paid the Performer for the number of days of work covered by the Material actually re-used as well as the minimum fees, if any, applicable to the field in which the Material is exploited (i.e., broadcast television, radio, etc.). In lieu of accepting such damages, however, the Performer may elect to arbitrate the claim as provided hereunder.
- D. If Producer is unable to find a Performer within a reasonable time for the purpose of the bargaining pursuant to this Section 13, Producer shall notify the Guild within a reasonable period of time to allow the Guild the opportunity to locate such Performer. If the Guild thereafter is unable to notify Producer of a telephone number or an address at which the Performer may be contacted within a reasonable time to allow the Producer to comply with deadlines, Producer may re-use the Material without penalty.

14. TRAILERS; PROMOTIONS

- A. Producer shall have the right to make (or cause to be made) trailers and/or Promotional Programs for the purpose of advertising and promoting the Interactive Program. A Performer's services in any such Trailer (and/or Promotional Programs) shall not require the payment of additional compensation (other than compensation for services; Overtime or any compensation otherwise due hereunder) if the recordation of such Trailer (and/or Promotional Program) occurs during the Performer's term of employment in connection with the applicable

Interactive Program hereunder. Otherwise, the applicable Scale set forth in this Agreement shall be the minimum compensation for services in connection with such Trailers. No additional compensation shall be payable for the use of any portion of an Interactive Program in a Trailer when such Trailer is utilized to promote such Interactive Program.

- B. No use of a Performer's services in a Trailer as herein defined may be used as an endorsement of any service or product other than the Interactive Program(s) for which the Performer was employed to render services. References to the hardware, Platforms or Remote Delivery systems upon which the Interactive Program operates or references to other Interactive Programs shall not be deemed an endorsement of a service or product in violation of this Subsection 14.B if the Interactive Program is clearly identified by its title in such promotion to the consumer.
- C. Performer may, at his/her sole discretion, also agree to provide additional services without additional compensation (other than the compensation for services, Overtime or any compensation otherwise due hereunder) during the production of an Interactive Program for such Promotional Program. If any Promotional Program is a Linear Program exhibited or transmitted to the viewer as specified in Section 4.S. (ii). (a) - (c), Producer shall pay all recognizable Principal Performers therein an additional payment equal to the Day Performer minimum hereunder for such use.
- D. Effective July 29, 2005, if recorded material is incorporated into a Promotional Program that exceeds 12 minutes in length, each principal performer seen or heard will be entitled to a single session payment at the applicable day performer minimum for the use of such footage and soundtrack.

D. Half-Day Employment (Rehearsals)

Producer may engage a Performer (except Dancers, Background Actors and Stunt Performers) once per Program for up to four (4) consecutive hours of rehearsal time at sixty-five percent (65%) of the Day Performer rate pro-rata, or sixty-five percent (65%) of the Performer's pro-rata single day rate, whichever is higher, as follows:

Any Overtime beyond eight (8) hours of work will then be computed at time and one-half or double time in hourly units, as specified in Article II, Section 6. All required meal periods will be observed.

For Three-Day Performers or Weekly Performers, Producer may use the half-day rehearsal rate based only on the Day Performer minimum.

16. NON-DISCRIMINATION POLICY

- A. American scene may be portrayed realistically. To that end, due regard shall be given to women, minorities, Performers with disabilities and seniors in all aspects of society. The parties agree that the Producer shall retain its exclusive creative prerogatives.

In furtherance of the foregoing, the Producer shall make good faith efforts to seek out and provide audition opportunities for women, minorities, Performers with disabilities and seniors in the casting of each production thereby creating fair, equal and non-stereotyped employment opportunities. Producer agrees to provide equal employment opportunities (including auditions) for women and men for Voice-Over roles having due regard for the requirement of and suitability for such roles.

Where the Stunt Performer doubles for a role which is identifiable as female and/or Black, Latin-Hispanic, Asian-Pacific or Native American and the race and/or sex of the double is also identifiable, Producer shall make every effort to cast qualified persons of the same sex and/or race involved. The Stunt Coordinator shall make every effort to identify and recruit qualified minority and female Stunt performers and Stunt performers with disabilities prior to the commencement of production.

- D. Special Considerations: All facilities under the control of or used on behalf of Producer in connection with the casting or production of Material for Interactive Programs, including but not limited to dressing rooms, lodging, studios, locations (where feasible), sets, and transportation and access thereto, shall provide reasonable accommodations for Performers with disabilities and shall be suitable for the special needs and requirements of any Performers whether by reason of age or disability. 17. CONTRACTS WITH PERFORMERS

Every contract (whether written or oral) between Producer and any Performer shall be deemed to contain the following clauses:

"Notwithstanding any provision in this contract to the contrary, it is specifically understood and agreed by all parties hereto:

- A. That they are bound by all the terms and provisions of the 2005 – 2008 Screen Actors Guild, Inc.- Producer Interactive Media Agreement.
- B. That should there be any inconsistency between said contract and the Agreement or the valid rules and regulations enacted by the Guild not in derogation thereof, the Agreement and the rules and regulations of the Guild shall prevail; but nothing in this provision shall affect terms, compensation or conditions provided for in this contract which are more favorable to members of the Guild than the terms, compensation and conditions provided for in said Agreement.

- C. If the term of this contract is of longer duration than the term of the Agreement between the Guild and the Producer, this contract shall be modified to conform to any agreements or modifications negotiated or agreed to in said Agreement, and the existence of this contract shall not prevent the Performer from engaging in any strike or obeying any of the lawful rules and regulations of the Guild without penalty by way of damage or otherwise, subject to mutual cancellation or termination of this contract without penalty on either side.
- D. Performer is a member of the Guild in good standing subject to and in accordance with Section 9 of this Article I and is subject to the rules and regulations of the Guild.
- E. That the Performer is covered by the provisions governing the Screen Actors Guild Pension and Health Plans.
- F. All disputes and controversies of every kind and nature arising out of or in connection with this contract shall be determined by arbitration in accordance with the procedure and provisions of said Agreement."

18. EXISTING CONTRACTS

The parties acknowledge that existing contracts between Performers and Producer entered into prior to the date of execution of this Agreement shall not be subject to the terms and conditions hereof.

19. INDIVIDUAL CONTRACTS

Except as otherwise herein expressly provided, the minimum terms and conditions hereof shall be deemed incorporated into all individual contracts of employment in effect on the effective date hereof or thereafter executed, with respect to all services rendered on or after such effective date.

20. MINIMUM SCALE/TERMS

Producer agrees that it will make no contract with any Performer at terms less favorable to such Performer than those contained in this Agreement, and no waiver of any of the terms hereof shall be effective without the written consent of the Guild. All Performers, whether employed at Scale or in excess of the minimum rates set forth herein, shall have the protection and benefits of the provisions and conditions set forth in this Agreement. Nothing herein shall prevent an individual Performer from bargaining for more favorable terms and conditions in his/her individual contract than those accorded Performers hereunder.

21. PROHIBITION AGAINST CREDITING

No compensation paid to a Performer for his/her services in excess of the minimum may be credited against Overtime, Liquidated Damages or any other compensation otherwise due the Performer; however, nothing herein shall prevent Producer from bargaining with the principal Performer to allocate compensation payable to a Principal Performer (other than Overtime and Liquidated Damages) which is greater than two hundred percent (200%) of Scale to sums which may be otherwise due the Principal Performer hereunder provided that the right to allocate is specifically set forth in the Performer's employment contract.

22. SAG MEMBER REPORTS; PERFORMER CONTRACTS

Producer shall have the option of utilizing SAG Member Reports at the time of hiring of Principal Performers and/or Background Actors in connection with Interactive Programs on a form similar to

that authorized by SAG, or to employ the same pursuant to individual contracts in forms approved by the Guild. If Producer utilizes such Member Reports, it will be the duty and responsibility of each Performer to deliver a form initialed by the Producer to the local SAG office.

If Producer does not utilize Member Reports, Producer shall employ Scale Performers pursuant to individual contracts on a form approved by the Guild which guarantees the Performers the minimum terms and conditions of this Agreement. No changes, alterations or additions may be made in such form except such changes as are more favorable to the Performer and as to which changes both Performer and Producer have given written approval on the contract. Copies of all such employment contracts shall be filed with the appropriate Guild office.

23. EVASION OF RESPONSIBILITY

Producer agrees that Producer will not knowingly, for the purpose of evading performance under this Agreement:

- (1) sublet or transfer responsibility hereunder to any third person;
- (2) transfer operations to any other place of origin or territory solely for the purpose of defeating or evading this Agreement;
- (3) use, lease or authorize others to use Material for Interactive Media for any purpose or in any manner other than as permitted by this Agreement.

24. WAIVERS

The Guild recognizes that the production, distribution and exhibition of Programs in Interactive Media is in its formative stages, and there may be uses of a nature not contemplated at the time the parties enter into this Agreement. The Guild agrees to consider any special circumstances which warrant modification of any of the terms of this Agreement and to grant waivers to accommodate such productions, which waivers shall not be unreasonably withheld. Any request by a producer for consideration for changes or waiver by the Guild hereunder must be made in writing by advance notice to the Guild to afford sufficient time to give proper consideration to such request. The parties acknowledge that fifteen (15) business days notice prior to the scheduled production of any Interactive Program shall be deemed sufficient time for purposes of evaluating such request.

25. WAIVER OF RIGHTS BY MEMBERS

The acceptance of consideration by a member of the Guild under this Agreement shall not be deemed sufficient consideration to effect a waiver, release or discharge by such Guild member of such Guild member's contractual rights under this or any other Guild agreement. Releases, discharges, notations on checks, cancellations, etc., and similar devices which may operate as waivers or releases shall be null and void to the extent provided for above without the Guild's prior written approval.

26. PRODUCTION STAFF

- A. Producer shall not utilize persons employed as members of Producer's casting or production staff as Performers in any Interactive Program on which they also render other services without the express consent of the Guild, however, the Guild shall grant waivers on a reasonable basis in good faith to accommodate the legitimate production necessities of Producer.

- B. The following are exceptions to the above: (1) Animal handlers (appearing in a scene in which they handle animals); (2) Performer/directors, Performer/writers, or Performer/producers engaged by written contract prior to the commencement of Principal Photography of the Program; (3) an "emergency" in the production which requires immediate response. Emergency is defined as a situation on location in which a member of the cast cannot perform or fails to report for work ready, willing and able to perform the duties assigned to such Performer hereunder.
- C. Violations of the foregoing prohibition shall require payment of Liquidated Damages, as follows:

Day Performer	\$300.00
Three Day Performer	\$400.00
Weekly Performer	\$600.00

27. PAYMENTS

- A. Effective July 29, 2005 Performers shall be paid not less than the minimum applicable fees due hereunder, in the legal tender of the United States not later than twelve (12) business days after services are rendered.
- B. Liquidated Damages for Late Payment

The following cumulative payments shall be added to the compensation due and payable to the Performer for each day, beginning with the day following the day of default: Two Dollars and Fifty Cents (\$2.50) for each day's delinquency up to thirty (30) days (excluding Saturday, Sunday, and holidays which the Producer observes). Thereafter, the accrual of damages shall cease unless either the Guild or the member gives written notice to the Producer of the non-payment. In the event such notice is given and full payment including accrued Liquidated Damages is not made within twelve (12) working days thereafter, the Producer shall be liable for an immediate payment of Seventy-Five Dollars (\$75.00) plus further payments at the rate of Five Dollars (\$5.00) per day from the date of receipt of notice of non-payment which shall continue without limitation as to time until the delinquent payment together with all Liquidated Damages are fully paid. Such Liquidated Damages shall be in addition to any and all other remedies which the Guild may have against Producer under this Agreement.

The above cumulative payments shall not apply in the following case:

- (1) Where a bona fide dispute exists as to the amount due and payable concerning which the Guild has been notified promptly;
- (2) When force majeure intervenes;
- (3) Where Performer's services are provided by a Loan-Out Company, and he/she has failed to furnish to the Producer pertinent information required and all W-4 forms (provided, however, that Producer has made such forms available at the production site);
- (4) Where there is no Loan-Out Company and a Performer has failed to furnish the Producer his/her W-4 form (provided, however, that Producer has made such forms available at the production site); and

- (5) Where the Performer, having been furnished his/her contract on or before the day of his/her performance, fails to return the signed engagement contract promptly.

C. All Fees are Net

The minimum fees specified in this Agreement shall be net to the Performer. No deductions whatsoever may be made by Producer from Performer's compensation except for deductions and withholding that are required by law, including but not limited to the Social Security and withholding taxes as specified below.

28. SOCIAL SECURITY, WITHHOLDING, UNEMPLOYMENT AND DISABILITY INSURANCE TAXES

All compensation paid to Performers covered by the Agreement for and in connection with the making and use of Programs for Interactive Media constitute wages and as such is subject to Social Security, withholding, unemployment insurance taxes and disability insurance taxes. Producer and any others who assume the obligation to make such payments shall also make the required payments, reports and withholdings with respect to such taxes.

Employers must honor a Performer's request that taxes be withheld over a longer payroll period (i.e., by a more favorable tax withholding schedule) to the extent Producer can do so without incurring liability therefrom as determined by Producer in accordance with its standard customary practices. Producer shall attach appropriate forms for this purpose to Performer's contract.

A W-4 form or an alternative form with appropriate IRS tax information for withholding purposes will be included in the standard union employment contract form.

29. SAFEGUARDS AGAINST VIOLATION

Producer shall furnish the Guild written reports, under the same cover as checks for Performers' services, specifying: the details relevant to the Interactive Program produced; time of the production sessions; the title of the Interactive Program; names of Performers; complete time in rehearsal and shooting; gross fees payable to Performers.

30. SAG PENSION AND HEALTH PLANS

- A. Producer shall become a party to the "Screen Actors Guild-Producers Pension Plan for Motion Picture Actors" and "Screen Actors Guild-Producer Plan for Motion Picture Actors" and shall contribute to the Plans amounts equal to 13.3% of all gross compensation as herein defined with respect to Interactive Programs produced under this Agreement prior to July 29, 2005. Effective July 29, 2005, the contribution amount shall increase to 14.3% of all gross compensation as herein defined with respect to Interactive Programs produced under this Agreement. Included in that amount, is a Producer contribution of three-tenths of one percent (0.3%) of gross compensation to fund the administration of special programs such as seminars on casting and non-discrimination mandates in this Agreement, training and retraining programs, Performer safety, etc. This Fund ("SAG Industry Cooperative Fund") was previously created by SAG and the Alliance of Motion Picture and Television Producers. For Producer's convenience, the .03% contribution to the SAG Industry Cooperative Fund is included in the 13.3% or 14.3% contribution (as applicable) for the Pension & Health Plans.

The term "Gross Compensation" as used in this Section means all salaries, fees, and other compensation or remuneration; excluding, however, payments for meal period violations, rest

period violations, traveling, lodging or living expenses, Liquidated Damages for late payments, flight insurance allowance, reimbursements for special hair dress or for wardrobe maintenance or damage, but without any other deductions whatsoever. Such terms also include amounts paid to any employee with respect to services as a Performer (including compensation paid as salary settlements) whether or not any services were performed.

- B. All contributions shall be allocated between the Pension and Health Plans as determined by the Plan Trustees, and will be subject to reallocation from time to time in accordance with the determination of the Trustees based on actuarial studies.
- C. It is understood that the Pension and Health contributions are industry-wide and open to all Producers and advertising agencies signatory to any of the Guild's collective bargaining agreements or Letters of Adherence thereto which provide for payments to the Plans as above set forth. By signing a Letter of Adherence to the Trust Agreement hereinafter referred to and upon acceptance by the Trustees, Producers and advertising agencies shall be deemed bound by the terms and conditions of the Plans and to have appointed the Producers, Trustees and alternative Trustees previously appointed.
- D. The funds contributed to the Pension Plan and the Health Plan shall be trust funds and shall be administered under the Screen Actors Guild-Producers Pension Plan Trust Agreement and the Screen Actors Guild-Producers Health Plan Trust Agreement, both dated February 1, 1960, which Agreements and Declarations of Trust shall become part of the collective bargaining contract. The Trust Fund for the Pension Plan shall be used solely for the purpose of providing pension benefits for employees covered by the Guild's collective bargaining contracts in the motion picture industry who are eligible for benefits under the Pension Plan, and for expenses in connection with the establishment and administration of such Pension Plan. The Trust Fund for the Health Plan shall be used solely for the purposes of providing welfare benefits for employees covered by the Guild's collective bargaining contracts in the motion picture industry who are eligible for benefits under the Health Plan and, in the discretion of the Trustees, for their families and for expenses in connection with the establishment and administration of such Health Plan.

The Trustees shall determine the form, nature and amount of pension and health benefits, respectively, the rule of eligibility for such benefits, and the effective dates of such benefits.

- E. The Plan of pension benefits shall be subject to the approval of the Internal Revenue Service as a qualified Plan. If any part of the Plan is not approved, the Plan shall be modified by the Trustees to such form as is approved by the Internal Revenue Service.
- F. The Declarations of Trust shall provide that no portion of the contributions thereof may be paid or revert to any Producer.
- G. Producers and advertising agencies shall furnish the Trustees to each Plan, upon request, with the required information pertaining to the names, job classifications, Social Security numbers and wage information for all persons covered by the agreement together with such information as may be reasonably required for the proper and efficient administration of the Pension Plan and the Health Plan, respectively. Upon the written request of the Guild to the Producer, such information shall also be made available to the Guild.
- H. No part of the Producer's contributions to such Plans may be credited against the Principal Performer's compensation over Scale or against any other remuneration that the Performer may be entitled to no matter what form such other remuneration may take nor shall such contributions constitute or be deemed to be wages due to the individual employees subject to

this Agreement, nor in any manner to be liable for or subject to the debts, contracts, liabilities, or torts of such employees.

I. LOAN OUTS

Where the Producer borrows acting services from a signatory Loan-Out Company, or enters into a contract with a Performer under which covered services and non-covered services are to be provided, the following shall apply:

1. There will be a separate provision in the Principal Performer's agreement or loan-out agreement covering only acting services. Where other services are involved, and there is a dispute over the portion of the compensation allocated to acting services, the Principal Performer's "customary salary" shall be given substantial consideration in resolving such dispute.
2. Contributions shall be payable on the amount allocated to covered services.
3. The Producer shall have the obligation to make the contributions directly to the Plans whether the agreement is with the Performer or with the Performer's Loan-Out Company.
4. If, prior to the date on which Producer assumed the obligation to make the contributions directly to the Plans, a Loan-Out Company has failed to make the applicable pension and health contributions on behalf of the loan-out Performer pursuant to the provisions of the applicable SAG Contract, Producer shall not be liable for such contribution.
5. Claims against the Producer for pension and health contributions on behalf of Performers borrowed from a Loan-Out Company, or claims against the Producer on behalf of Performers employed directly by the Producer must be brought within four (4) years from the date of filing of the compensation remittance report covering such Performers.
6. Any claim for contribution not brought within the four (4) year period referred to in Subsection I.(5) above shall be barred.

J. AUDITS

Claims against the Producer pursuant to Subsection I, above, for pension and health contributions on behalf of Performers borrowed from a Loan-Out Company, or claims against Producer pursuant to this Section 30 must be brought within four (4) years from the date of filing of the compensation remittance covering such Performers.

K. ADHERENCE TO THE PLANS

By signing this Agreement, Producer thereby applies to become a party to and agrees to be bound by the Screen Actors Guild-Producers Pension Plan Trust Agreement and the Pension Plan adopted thereunder; and the Screen Actors Guild-Producers Health Plan Trust Agreement and the Health Plan adopted thereunder, if the Producer is not already a party to said Agreements and Plans.

Producer further hereby accepts and agrees to be bound by all amendments and supplements heretofore and hereafter made to the foregoing Agreements and documents. Producer hereby accepts the Producer Plan Trustees under said Trust Agreements and their successors designated as provided herein.

31. RIGHT TO RESPECT PICKET LINES

The Producer will not discriminate against any individual Guild Performer for refusal to cross a lawful picket line which is established at the premises of Producer as the result of a lawful strike, authorized by responsible Guild officers having the right to do so (at the appropriate local or national level).

32. SEPARABILITY

If any clause, sentence, paragraph or part of this Agreement or the application thereof to any person or circumstances, shall be adjudged by a court of competent jurisdiction to be invalid, such judgment shall not affect, impair, or invalidate the remainder of this Agreement or the application thereof to any other person or circumstances, but shall be confined in its operation to the clause, sentence, paragraph or part thereof directly involved in the controversy in which such judgment shall have been rendered and to the person or circumstances involved. It is hereby declared to be the intent that this Agreement would have been accepted even if such invalid provision had not been included.

33. PRODUCTION PROSECUTED

In the event that the Material in which the Performer has performed hereunder is the subject of any civil or criminal prosecution, Producer agrees to defend the Performer and to pay all expenses, charges and judgments so incurred. This Section does not apply to a case where the prosecution results from Material furnished by the Performer or acts done by the Performer without authorization of the Producer or beyond the scope of his/her employment.

34. NO STRIKE - NO LOCKOUT

So long as the Producer performs this Agreement, the Guild will not strike against the Producer, as to Performers covered by this Agreement in the field covered by this Agreement. To the extent the Guild has agreed not to strike, it will order its members to perform their contracts with the Producer. This and the following paragraph shall apply only to companies who sign this Agreement. Producer and the Guild agree that there will be no stoppage of work pending any arbitration and award, and the parties agree that all judgments rendered pursuant to arbitration brought in accordance with the procedures specified hereunder will be binding upon them.

35. TRANSFER OF RIGHTS - ASSUMPTION AGREEMENT

- A. Upon the sale, transfer, assignment or other disposition by Producer of any Interactive Program produced by it hereunder, the Producer shall not be responsible to the Guild or to any Guild members for any payments thereafter due with respect to the use of such Programs or for a breach or violation of this Agreement by such transferees, if the Guild approves the financial responsibility of such transferee in writing (which consent shall not be unreasonably withheld), and if the Producer in its agreement with such transferee has included a provision substantially in the following form:

" " ("Transferee") hereby agrees with _____ ("Producer")
that all Programs covered by this agreement are subject to the 2005 – 2008 Screen
Actors Guild Inc. – ~~Producer Interactive Media Agreement~~. Transferee hereby agrees
expressly for the benefit of the Guild and its members affected thereby to make all
payments of fees as provided in said Agreement and all Social Security, withholding,
unemployment insurance and disability insurance payments and all appropriate
contributions to the SAG Pension and Health Plans required under the provisions of
said Agreement with respect to any and all such payments and to comply with the

provision of said Agreement with respect to the use of such Program and required records and reports. It is expressly understood and agreed that the rights of Transferee to use such Program shall be subject to and conditioned upon the prompt payment to the Performers involved of all compensation as provided in said Agreement, and the Guild, on behalf of the Performers involved, shall be entitled to injunctive relief in the event such payments are not made."

The Producer agrees to give written notice by mail to the Guild of each sale, transfer, assignment or other disposition of any Program which is subject to this Agreement within thirty (30) days after the consummation of each sale, etc., and such notice shall specify the name and address of the purchaser, transferee or assignee.

36. UNION STANDARDS

- A. Producer will neither engage in the production of an Interactive Program or any part thereof as to which one (1) or more Performers are employed by a person not a signatory to this Agreement or a Letter of Adherence herein (a "non-signatory"), nor acquire an Interactive Program or any part thereof as to which one or more Performers were employed by a non-signatory unless, in each case, the Producer determines after reasonable investigation that such Performers have been and will be either (1) afforded the wages, hours, working conditions and other economic benefits provided in the Agreement; or (2) afforded wages, hours, working conditions and other economic benefits having substantially equivalent economic cost to such non-signatory. The Producer shall upon written request from the Guild, report to the Guild the name of such non-signatory, the number of Interactive Programs to be recorded and other pertinent data to enable the Guild to administer this Agreement. Notwithstanding anything in the foregoing to the contrary, this Section 36 shall not apply to Interactive Programs or parts thereof which exist prior to the execution hereof.
- B. If the Producer obtains an agreement substantially in the form below from such non-signatory, Producer shall be deemed to have observed the provisions of Subsection 36.A.:

"It is hereby agreed by _____ [Name of Non-Signatory Employer] that all Performers as defined in the 2005 – 2008 Screen Actors Guild Inc. – Producer Interactive Media Agreement be afforded either (1) the wages, hours, working conditions and other economic benefits provided in said Agreement; or (2) wages, hours, working conditions and other economic benefits having a substantially equivalent economic cost to _____ [Name of Non Signatory Employer]."

- A. In addition to any other remedies at law or under this Agreement, the Guild reserves the right to terminate its agreement with any Producer who fails to observe the provisions of Subsection 36.A, unless such failure is isolated or inadvertent.

37. ARBITRATION

In the event of any controversy or dispute arising with respect to this Agreement or the interpretation or breach thereof between the Guild and the Producer or a Performer and the Producer, the Guild and the Producer agree, in good faith, to promptly attempt to settle such dispute amicably by conciliation. In the event that they are unable to do so, any such controversy or dispute shall be settled in accordance with the voluntary Labor Arbitration Rules then prevailing of the American Arbitration Association located with the State of California by a single Arbitrator chosen in accordance with such rules and as specified below.

A. Conciliation Procedures:

1. Whenever any dispute arises which is arbitrable under this Agreement, a representative of the Guild and a representative of Producer shall meet within ten (10) business days after a written request is made for conciliation by either party to the other. The filing of a formal claim by the Guild or Producer for arbitration shall be deemed an automatic request for prior conciliation. If the parties are not able to reach agreement by conciliation after such good faith attempts, a claim for arbitration may be filed. Claims for arbitration hereunder shall be filed not later than the later of: (i) six (6) months after the occurrence of the facts upon which the claim is based; or (ii) within six (6) months after the employee or the Union, or the Producer, as the case may be, has had a reasonable opportunity to become aware of the occurrence. Otherwise, such claims shall be deemed waived.
2. The time period for filing claims shall be tolled while conciliation discussions are taking place between the Producer and the Guild, and/or the Producer and a Performer's agent or representative, as the case may be.

B. Arbitration:

1. If the parties fail to settle the dispute by conciliation or if one party fails or refuses to meet after a request for conciliation, then either the Guild or Producer shall deliver to the other a written demand for arbitration setting forth the material facts concerning the dispute. The demand for arbitration shall be served upon the other party by first class mail addressed to the representative of the Guild or the Producer designated to receive such service at such party's last known address or by personal service within the state where the proceeding is to take place. A request for arbitration shall be filed with the American Arbitration Association office in a locale within the preference zone in which the Producer has its primary place of business.
2. The arbitrator shall be selected within fifteen (15) days of the date the arbitration demand is served in accordance with the procedures of the American Arbitration Association in effect at such time. The arbitration hearing will be commenced within sixty (60) days of the date that the arbitrator is selected. The arbitration award will be issued within thirty (30) days of the date of submission. All time periods herein may be extended in any particular case upon the written agreement of the parties.
3. All arbitrations hereunder which are not instituted by Producer, shall be brought by and in the name of the Guild, whether such arbitration is on its own behalf or on behalf of a Performer and, in the latter case, the Guild may, but shall not be required to, represent the Performer. The Guild may, however, in its discretion, permit a Performer to bring an arbitration in the name of the Performer. It shall, however, be solely within the discretion of the Guild whether a claim of a Performer shall be brought to arbitration.
4. The cost and expenses of the arbitrator shall be shared equally by the Guild and the Producer.
5. The award of the arbitrator shall be final and binding upon all parties to the proceeding, and judgment upon such award may be entered by any party in the highest court of the forum, state or federal, of competent jurisdiction.
6. The Guild shall be an ex officio party for all arbitration proceedings hereunder in which any Performer is involved, and the Guild may do anything which any Performer named in such proceeding might do. Copies of all notices, demands and other papers filed by any

party in arbitration proceedings, and copies of all motions, actions or proceedings in court following the award shall be promptly filed with the Guild. The Guild agrees to aid the enforcement of awards against its members by appropriate disciplinary action.

7. The Guild agrees that there will be no stoppage of work during an arbitration or prior to the rendition of the award.
8. Disputes involving or relating to injunctive relief are not arbitrable hereunder.

38. SERVICES/RATE NOT SPECIFIED

The only services Performers contracted for are those specified in this collective bargaining agreement. This paragraph is not intended to prevent a Performer from contracting for services of a kind not covered by this Agreement by individual contract at such rates of pay and under such conditions as Producer and the Performer shall agree, subject only to the requirement that it shall not be in conflict with this collective bargaining agreement. Producer shall not require a Performer to include such services as a part of his or her employment under this Agreement but must bargain separately therefor.

If Producer wishes to employ a Performer to perform work for which there is no specified compensation within this Agreement, the parties agree that a Qualified Professional Performer's established rate (which is the rate actually paid within the prior twelve (12) months by a third party producer for similar services), shall be deemed a fair and reasonable rate of compensation for which no waiver need be obtained from the Guild. If Producer wishes to employ such a Performer on terms other than his/her established rate, Producer shall seek a waiver therefor from the Guild.

39. RIGHT TO TERMINATE; UNFAIR LIST

Nothing in this Agreement shall preclude the right of the Guild to terminate this Agreement (on reasonable notice, taking into account in particular any productions already underway or about to begin at such time) and declare a Producer unfair when such Producer, knowingly and intentionally, materially breaches its obligations under the Agreement such as, by way of example and not by way of limitation, where a Producer fails to pay compensation owing to Performers employed by Producer where there is no bona fide controversy arising out of employment under the Agreement. This provision only has effect when Producer refuses to arbitrate or refuses to recognize arbitrator's decision.

40. NOTICES TO PERFORMERS

All notices which the Producer desires or is required to send a Performer shall be sent to not more than two (2) addresses which the Performer may designate, one of which shall be the address which Performer designates for the sending of payments on his or her standard employment contract.

41. FORCE MAJEURE

If a production for which the Performer is engaged is necessarily prevented, suspended or postponed during the course thereof, by reason of fire, accident, strike, riot, act of God, or the public enemy, or by any executive or judicial order or by reason of the illness of any other member of the cast or of the director (herein an event of "Force Majeure"), the following provisions shall apply:

- A. Day Performers: Producer shall have the right to terminate the services of Day Performers without further liability, except for compensation for services previously rendered, provided

however, that: (i) if such termination occurs before the Performer is used or (ii) if the Performer is subsequently replaced (other than because of his/her unavailability), the Performer shall be entitled to one day's salary in addition to compensation for services previously rendered. Producer shall have the right to recall the Performer after such termination without compensation for intervening time, when production is resumed at the same rate as that previously applicable, subject to the Performer's professional availability.

- B. Three-Day and Weekly Performers: Producer has the right to suspend Performers' services and place Performers on one-half ($\frac{1}{2}$) salary during the period of Force Majeure, subject to the Producer's right to terminate the Performers' employment at any time during the event of Force Majeure. The Weekly Performer shall have the right to terminate employment effective at the end of the third week of suspension at one-half ($\frac{1}{2}$) salary or, in the case of a Three-Day Performer, effective at the end of the second week of suspension at one-half ($\frac{1}{2}$) salary, or at any time thereafter unless the Producer commences and continues thereafter to pay Performer his/her full compensation upon receipt of Performer's notice of termination.

Notwithstanding the foregoing, at any time after the commencement of an event of Force Majeure and prior to any resumption by the Performer of his/her services, the Producer may terminate the services of the Performer without further liability except for compensation for services previously rendered. Producer shall have the right at any time during the next three (3) weeks (or, in the case of a Three-Day Performer, after two (2) weeks), to recall the Performer without compensation for intervening time at the same rate as that specified in the Performer's contract, subject only to the Performer's professional availability.

- C. Any guaranteed employment hereunder may be extended by the period of any suspension for Force Majeure hereunder by giving written notice to such effect not later than the date of resumption of production following such suspension.

42. ENTIRE AGREEMENT

This Agreement represents the entire understanding between the parties and supersedes all previous agreements, written or oral, which may have been entered into prior to the date of execution hereof. This Agreement shall not be altered except by written agreement executed by both parties hereto. This Agreement will be governed by the laws of the State of California, as applied to agreements made and performed entirely within California.

ARTICLE II
WORKING CONDITIONS
PRINCIPAL PERFORMERS

1. CASTING AND AUDITIONS

- A. If Performers are requested to audition prior to an engagement, Producer shall provide the Performers (or his/her representatives) comprehensive information regarding the audition such as a specific time therefore, the nature of the role(s) available (whether Day Performer, Three-Day Performer, etc.), the nature of the performance desired and any unusual working conditions (work involving animals, stunts, hazards, improvisations, or nudity). An ample supply of segments of the script ("sides") and/or story boards for the particular role(s) which are the subject of the audition shall be available at the location of the audition at the time of the Performers' sign-in. Cue cards may be used by Producer instead of sides or story boards if Producer determines that script Material must be kept confidential.
- B. If, at either a first or second audition, the Performer is required to remain for more than one (1) hour from the time of call or arrival, whichever is later, he/she shall be compensated for all time on said call in excess of one (1) hour, at straight time, in one-half ($\frac{1}{2}$) hour units, at the rate of one-sixteenth ($\frac{1}{16}$) of the Day Performer rate. For the third and each subsequent audition, the Performer shall be paid a minimum of one-eighth ($\frac{1}{8}$) of the Day Performer rate. For all time in excess of one (1) hour, the Performer shall be paid at straight time in one-half ($\frac{1}{2}$) hour units, at a rate of one-sixteenth ($\frac{1}{16}$) of the Day Performer rate per unit. Pension and Health contributions shall be paid on all compensation payable to the Performer hereunder for the third and all subsequent audition calls. If the Performer is required to memorize lines for an audition which he/she has been given to learn outside the studio, he/she shall be compensated at one (1) hour of straight time or actual time required for such audition, whichever is greater. If there has been no agreed salary before the auditions, and if the Performer and Producer cannot agree, the salary rate at which he/she shall be compensated for such excess time shall be one-sixteenth ($\frac{1}{16}$) of the Day Performer rate.
- C. Auditions shall be conducted before Producer and authorized representatives thereof and not in public; mass auditions shall be prohibited. If an audition is recorded, it is agreed that such audition Material shall be used only to determine the suitability of a Performer for a specific project.
- D. Adequate seating shall be provided at all auditions.

2. CONSECUTIVE EMPLOYMENT

- A. Employment of Three-Day or Weekly Performers shall be for consecutive days from the beginning of the engagement. Such Three-Day and Weekly Performers may agree that consecutive employment is not applicable to a certain engagement provided that such agreement is in writing and Producer provides the firm work dates in writing no later than the first day of work. Additional days of work shall be subject to the professional availability of such performer. Three-Day and Weekly Performers must be engaged in units, throughout their engagement, of not less than three days or weeks, respectively.

- B. The requirement of paid consecutive employment is not applicable to: Day Performers; Background Actors (who are subject to the call back provisions of Article III, Section 9); Singers; Dancers; Stunt Performers; and Three-Day or Weekly Performers engaged at a rate greater than \$45,000 for the Interactive Program.
- C. Any Principal Performer who has been recalled to render services (other than Retakes, Added Scenes, Etc.) and completes such services, and is then later required for additional Principal Photography ("spillover") by Producer, shall render such spillover services shall be rendered to Producer on a first-call basis on the same terms and conditions as the original employment (except for the term), subject to the Performer's professional availability.
- D. The Producer may not agree with any Singer that the Singer will hold himself/herself available for any day after the termination of an original period of employment (which may be as short as one (1) day) unless the Producer agrees at the same time to employ the Singer for such day. It is agreed, however, that the Singer may be recalled by the Producer and will report, at any time prior to the completion of production of the Interactive Program for which he/she was originally employed on the same terms and conditions (except for the term), provided that he/she is not then otherwise professionally employed.
- E. Notwithstanding any of the above, all Performers shall be paid for intervening days on an overnight location when required to remain at such location by Producer.

3. RETAKES, ADDED SCENES, ETC.

This provision shall not be used to introduce a new character or role.

Compensation for services in connection with retakes, added scenes, soundtrack (including Looping), process shots, transparencies, trick shots, trailers, changes in foreign versions, shall be paid only for the days on which the Performer is actually so employed subject to the individual Performer's availability.

If such services are commenced within three (3) months after the prior termination of employment, compensation therefor shall be at the daily rate or the prorated three day or weekly rate originally agreed upon. In the case of conversion from a Day Performer to a Three Day or Weekly Performer, the compensation shall be based on the prorated three day or weekly rate. A Three Day or Weekly Performer recalled to loop after completion of Principal Photography shall be paid one half (½) day's pay (one sixth (1/6) or one tenth (1/10) of the Performer's three day or weekly base rate, respectively) for a four (4) hour Looping session. If the session exceeds four (4) hours, a full day's pay shall be payable. A Voice Over Performer may be recalled for retakes for one half of the performer's original four hour day rate for no more than a two hour session. If the session exceeds two (2) hours, the performer's full four hour day rate shall be payable.

An on-camera performer recalled to perform looping services may loop his/her on-camera performance for the payment detailed above. Performance of additional voices requires compensation at rates not less than Article I, Section 15.B.

4. CONVERSION OF DAY PERFORMERS

Producer shall have the right to convert the engagement of a Day Performer to a Three-Day or Weekly Performer at any time, but such conversion shall commence not earlier than the date Producer gives such Performer (or his/her representative) written notice of such conversion in person or by telegraphing or mailing the same to the address furnished the Producer by the

Performer. If the notice is delivered personally to the Performer by noon, or if a telegraphic or facsimile notice is delivered to the office transmitting such messages to the Guild by noon, then the conversion shall be effective commencing with that day. If notice is delivered personally to the Performer or to the telegraph office after noon, or if sent by mail, then in each of the instances as mentioned the conversion shall be effective on the Performer's next work day.

5. WORK TIME - DEFINITION AND EXCEPTIONS

- A. For the purpose of ascertaining and computing hours of work, the rest period and Overtime, the period from the time the Performer is required to report to work by Producer ("call") and does actually report ready, willing and able to work without interruption, until the time such Performer is finally dismissed for the day, shall constitute work time, except as follows:
 - 1. Allowable meal periods, as provided by Section 13;
 - 2. Casting or audition calls, as provided by Section 1;
 - 3. Story, song and production conferences, as provided by Section 14;
 - 4. Study of lines or scripts, as provided by Section 15;
 - 5. Publicity interviews and stills, as provided by Section 16;
 - 6. Fittings, Wardrobe Tests and Makeup Tests, as provided by Sections 10 and 11; or
 - 7. Travel time, to the extent provided by Section 30.
- B. After the starting date of employment, none of the events referenced in Subsection 5.A., above, shall break the consecutive employment of such Performer.
- C. Any period during which the Performer fails, refuses, or is unable because of disability to render services, and any period during which the Performer at his/her own request is excused from rendering services, shall not be work time for any purpose.

6. OVERTIME

- A. For the purpose of computing Overtime, a Performer's day is computed from the time of first call to dismissal, excluding meal periods.
 - 1. Overtime payments for all on-camera Performers shall begin with the ninth hour of any given day; the ninth and tenth hours shall be paid at time and one-half; the eleventh hour and beyond shall be paid at double-time. If the Performer is working at midnight of any day, then his/her hours of work for such day shall be computed until the Performer has been dismissed subsequent to midnight.
 - 2. Overtime payments for voice-over performers engaged on either a four -(4) hour day or a six -(6) hour day shall be as follows:
 - a) A performer engaged for a four - (4) hour day shall be entitled to overtime equal to time and one-half for the fifth and sixth hours and double time for any hours in excess of six (6).

- b) A performer engaged for a six- (6) hour day shall be entitled to overtime equal to time and one-half for the seventh and eighth hours and double time for any hours in excess of eight (8).
- c) Overtime Payments for off-camera singers shall be calculated as follows:
All off-camera Singers shall be entitled to overtime payments after four consecutive hours of work. The fifth through tenth hour shall be paid at time and one-half in hourly units. Thereafter, all off-camera performers shall be compensated at double time hourly rates for work in the eleventh hour and thereafter.

B. Rate Maximums:

- 1. Day Performers compensated more than \$1,149.00 per day are payable for work beyond eight (8) hours based on the rate of \$1,149.00.
- 2. Three-Day Performers compensated more than \$2,531.00 are payable for work beyond eight (8) hours based on the rate of \$2,531.00.
- 3. Weekly Performers compensated more than \$4,285.00 per week are payable for work beyond eight (8) hours based on the rate of \$4,285.00.

- C. Payment of Overtime shall not be deemed to reduce a Performer's guaranteed employment or compensation. Except as otherwise herein provided in Sections 10 and 11, makeup, hair dress, wardrobe, or fittings shall be considered work time for all purposes including Overtime.

7. ENGAGEMENT; NON-USE OF SERVICES AFTER ENGAGEMENT

- A. A Performer shall be considered definitely engaged by a Producer in any of the following events:
 - 1. When the Performer is given written notice of acceptance by the Producer;
 - 2. When a form contract signed by the Producer is delivered to a Performer;
 - 3. When a form contract unsigned by the Producer is delivered to a Performer and is executed by a Performer and returned to Producer within forty-eight (48) hours;
 - 4. When the Performer is fitted; however, this shall not apply to wardrobe tests;
 - 5. When the Performer is given an oral call which the Performer accepts; or
 - 6. When a Day Performer is given oral notice by the Producer and agrees to report on the commencement date for which the call is given; however, until noon of the day preceding such commencement date, either the Producer or the Performer may cancel such employment. If the Producer is unable to reach the Performer personally, either by telephone or otherwise, notice of such cancellation may be given to the Performer by telegraph or fax, in which event the time when such telegram is given by the Producer to the telegraph company, addressed to the Performer at his/her address or sent via facsimile at the appropriate fax number last known to the Producer, shall be the time of such cancellation.

- B. Neither auditions nor interviews shall constitute an engagement.
- C. When a Performer is engaged and not used for any reasons other than his/her default, illness or other incapacity, he/she shall be entitled to a day's pay or his/her guarantee, whichever is greater. If the Performer who is selected is unavailable when called to render actual services, he/she shall not be entitled to a day's pay.
- D. A Performer who is replaced in a production after commencement of his/her services pursuant to his/her engagement and before the completion of the engagement, for reasons other than his/her default, illness, or other incapacity, shall receive his/her guarantee, or a day's pay in addition to payment for services rendered to that time, whichever is greater.
- E. A Performer shall be notified by Producer at the time of engagement whether the engagement requires overnight location work and, if so, the approximate time and duration of such location work to the extent such information is then known.

8. PROMPTING DEVICES; DESCRIPTION OR ROLE; SCRIPTS

- A. A full and forthright description of the role to be played must be given at the time of audition or interview or, if none, at the time of booking. Such description should include length of Performer's role, use of unusual terminology, whether memorization is required, and whether cue cards or other prompting devices will be used.
- B. When an on-camera performer is required to deliver unusual terminology, Producer will make every effort to have a prompting device or cue cards. If the script is not made available to the on-camera Performer at least twenty-four (24) hours prior to the shooting date, Producer must have cue cards or other prompting device.
- C. If the Performer's services will include development of a script through so called "ad-lib" work or substantial embellishment of an existing script through such work, Producer must so inform Performer or Performer's representative at the time of audition or interview.

9. ADVANCE INFORMATION

Producer shall inform a Performer (or his/her representative) at the time of audition or interview for a job, or at the time of hiring (if there is no audition or interview), whether the employment is to be as a Principal Performer, Background Actor, or otherwise.

10. FITTINGS, WARDROBE TESTS, AND MAKEUP TEST

- A. Fittings: Time spent by a Performer in fittings shall be paid as follows
 - 1. Fittings on the same day that the Performer works:
 - a. Time spent in such fittings shall be work time and part of the Performer's continuous day.
 - b. If four (4) hours or more intervene between the end of the fitting call and the beginning of the work call and the Performer is dismissed in the interim, the fitting shall be paid for as though it were on a prior day on which the Performer did not work.
 - 2. Fittings on a day prior to work:

- a. Day Performer: Where a Day Performer is fitted on a day prior to the day on which he/she works, he/she shall be entitled to one (1) hour pay for each call. Additional time shall be paid for in fifteen (15) minute units. Day Performers receiving more than two (2) times Scale shall not be entitled to any compensation for such fittings.
 - b. Three-Day Performers: Producer shall be entitled to two (2) hours free fitting time. Additional fitting time shall be payable at the compensation rate specified in the Performer's contract, in fifteen (15) minute units, with a one (1) hour minimum call.
 - c. Weekly Performers: Producer shall be entitled to four (4) hours free fitting time on no more than two (2) days for each week the Performer works on the Program. Additional fitting time shall be payable at the compensation rate specified in the Performer's contract, in fifteen (15) minute units, with one (1) hour minimum call period.
3. A call to determine whether a Performer's own wardrobe is appropriate shall be deemed a "fitting" covered by the provisions of this Section 10.

B. Wardrobe and Makeup Tests

- 1. If a Performer is given a makeup or wardrobe test and not used in the Program for which he/she was tested, he/she shall receive one half ($\frac{1}{2}$) day's pay at Scale for each day on which he/she is given such test.
- 2. If a Performer is given a makeup or wardrobe test and is used in the Program for which he/she was tested, he/she shall be paid as follows:
 - a. Tests on the same day that the performer works: Time spent in such tests shall be work time and part of the Performer's continuous day.
 - b. Test on a day prior to work: Where a Day Performer is given a makeup or wardrobe test on a day prior to the day on which he/she works, he/she shall be entitled to (1) hour minimum pay for each call. Additional time shall be paid for in fifteen (15) minute units. A Day Performer receiving more than two (2) times Scale per day shall not be entitled to any compensation for such test.
- 3. Producer shall be entitled to one (1) day's free fitting time for a test of each Three-Day or Weekly Performer on the Program. The Performer shall be entitled to a half ($\frac{1}{2}$) day's pay, pro-rata for each additional day tested in excess of such free time.

11. MAKEUP, HAIR DRESS, WARDROBE ALLOWANCE

- A. Exception to Work Time: Producer may require a Performer to report ready for work made-up with hair dress and/or in wardrobe without assistance from the Producer. In such cases, any time spent by the Performer therein prior to the Performer's first call shall not be work time spent by the Performer therein prior to the Performer's first call shall not be work time for any purpose, but the Producer may not have a Performer do any such preparation at any place designated by the Producer. The mere fact that a dressing room is available to Performers on the work site, to which he/she is not directed to report, is not the designation of a place for preparation by Producer. In the case of wardrobe, if the Performer is allowed to take home wardrobe or is furnished a dressing room with the wardrobe available in the dressing room, the time spent by such Performer in wardrobe shall not be considered work time.

- B. Except as specifically designated in the foregoing Subsection 11.A., any call by Producer for makeup, hair dress, or wardrobe is a call to work. Any Performer to whom Producer supplies the services of a makeup artist for makeup, or hairdresser for hairdressing, shall be considered to have a call for makeup or hair dress. When the Performer has reported pursuant to a call for makeup, hair dress, or wardrobe, the time so spent shall be work time.
- C. When makeup or hair dress other than ordinary street makeup or hair dress is required by Producer, a professional hairdresser and makeup artist shall be provided for the purpose of applying and maintaining such makeup and hair dress. If a Producer requires a Performer to furnish any special hair dress necessitating an expenditure, Producer shall provide an advance covering the expenditure at facilities designated by Producer.
- D. Adequate facilities shall be provided for removing makeup and hair dress which may be the same facilities used for applying makeup and hair dress. Time spent in removal of complicated or extraordinary makeup or hair dress shall be work time, but not removal of ordinary makeup and hair dress.
- E. On-camera Performers who supply specified personal wardrobe worn during rehearsals or production shall receive a maintenance fee for each complete wardrobe change at the following rates:
 - 1. Non-evening wear: \$15.00 per costume change.
 - 2. Evening wear: \$25.00 per costume change for each two (2) days or part thereof.
- F. "Wardrobe Change": A single wardrobe change shall consist of at least one (1) additional clothing item worn above the waist (such as blouse or skirt) and at least one (1) additional clothing item worn below the waist (such as slacks or skirt) unless only one (1) such area is visible to the camera. If so, one (1) additional item in the visible area shall be considered a wardrobe change. Items such as dresses, gown, overcasts, etc. shall be considered a change by themselves unless always worn as part of a single outfit. Further, each item of clothing shall be counted only once in determining the total number of changes even though the item may be used in more than one (1) outfit. No additional fees shall be charged for mixing and matching wardrobe items. For example, if outfit #1 is a blue blazer and tan slacks and outfit #2 is a gray suite, used of the blazer and suit pants to create a third outfit shall not require an additional fee. Accessories such as scarves, ties, and jewelry shall not be counted as items of clothing for this purpose.
- G. Wardrobe supplied by the on-camera Performer which is damaged or lost in the course of employment shall be repaired or replaced at the expense of Producer provided that notice of such damage or loss is given Producer within a reasonable time after such damage.
- H. Stunt doubles shall be provided with duplicated, properly fitting wardrobe which shall be appropriately cleaned after prior use by another Performer.

12. REST PERIOD; LIQUIDATED DAMAGES FOR VIOLATION

- A. A performer shall be entitled to a rest period of twelve (12) consecutive hours from the time he/she is finally dismissed for the day until his/her first call thereafter, whether for makeup, wardrobe, hair dress or any other purpose.
- B. The above provisions regarding the rest period shall be subject to the following exceptions:

1. Where the Producer is shooting on a nearby location, only if exterior photography is required on the day before and on the day after such reduced rest period, the twelve (12) hour rest period may be reduced to ten (10) hours, but such reduction may not again be allowed unless three (3) days without such reduction intervenes. The reduction to ten (10) hours in the circumstances described applies only if both of the days between which the rest period intervenes are spent at a nearby location.
 2. Where a Performer arrives at his/her place of lodging on an overnight location after 9:00 p.m. and does not work that night, the rest period with respect to the first call following such arrival may be ten (10) hours instead of twelve (12) hours, but the first call must be at the place of lodging.
 3. The Performer shall be entitled to a rest period of fifty-eight (58) consecutive hours (thirty-six (36) consecutive hours if on overnight location) once each week.
- C. The Performer may waive the rest period without the Guild's consent, but if he/she does so, he/she shall be entitled to Liquidated Damages of a day's pay or nine hundred fifty dollars (\$950.00), whichever is the lesser sum. The Performer may be required to waive the rest period if the violation is not over one and one half (1½) hours. The above Liquidated Damages of a day's pay or nine hundred fifty dollars (\$950.00), whichever is the lesser sum, shall be automatically incurred in any case in which the Performer waives the rest period. The Liquidated Damages may not be waived without the consent of the Guild.

13. MEAL PERIODS; ALLOWANCES; LIQUIDATED DAMAGES

- A. Allowable meal periods shall not be counted as work time for any purpose. The Performer's first meal period shall commence within six (6) hours following the time of his/her first call for the day. Succeeding meal periods of the same Performer shall commence within six (6) hours after the end of the preceding meal period. A meal period shall not be less than one-half (½) hour nor more than one (1) hour in length. If, upon the expiration of such six (6) hour period, the camera is in the actual course of photography, it shall not be a violation to complete such photography. If, on location or while traveling to or from location, the delay is not due to any fault or negligence of the Producer, its agents, or persons contracted by it to render the catering service, or if delay is caused by common carriers such as railroads, there shall be no damages due for violation of the above provisions. If the caterer is chosen carefully and is delayed in reaching the location beyond the required time for commencing a meal period, there shall be no damages due for the violation; but if such delay shall continue beyond one-half (½) hour, work shall cease and the time intervening between such cessation of work and the meal period shall be work time.

If by reason of a long makeup, wardrobe or hair dress period of a Performer, application of the above stated rule would require calling a meal period for such Performer at a time earlier than that required for the rest of the set, Producer shall not be required to call such meal period if food, such as coffee and sandwiches, is made available to such Performer before the time for his/her established call, it being understood that no deduction shall be made from work time for such period. It is further understood however, that such Performer shall be given a meal period within six (6) hours from the time such food is made available to the Performer.

- B. The Liquidated Damages for meal period violations shall be:

\$25 to each Performer for the first one-half hour of violation or fraction thereof;
 \$35 to each Performer for the 2nd one-half hour or fraction thereof;
 \$50 to each Performer for the 3rd and each additional one-half hour or fraction thereof.

- C. Meals must be provided on all locations. All Performers shall be entitled to a basic \$48.40 per diem meal allowance on overnight locations. The Producer shall have the right to deduct from the per diem meal allowance the following amounts for each meal furnished, as follows: breakfast: \$9.30; lunch: \$14.00; dinner: \$25.10.
- D. Whenever Producer supplies meals or other food or beverages to the cast or crew, or provides money in lieu thereof, the same shall be furnished to all Performers. Regarding beverages, this provisions is applicable only in those situations where the Producer supplies beverages to the cast and crew and is not applicable where isolated groups may supply their own beverages (e.g., prop truck with cooler for beverages). When meals are served to Performers, tables and seats shall be made available for them. No time shall be deducted from work time for any meal supplied by the Producer until the Performers are given the opportunity to get in line for the actual feeding of Performers.

"Meal" means an adequate, well-balanced serving of a variety of wholesome, nutritious foods. The furnishing of snacks, such as hot dogs or hamburgers, to Performers by Producer shall not constitute a meal period. Meals supplied by the Producer shall not be deducted from the Performer's wages but may be deducted from the per diem allowances specified herein.

14. STORY, SONG, AND PRODUCTION CONFERENCES

Story, song, and production conferences on any day on which the Performer is not otherwise working shall not be counted as work time for any purpose. This provision shall not be construed to interrupt the consecutive employment of a Performer.

15. STUDY OF LINES OR SCRIPTS

Study of lines or scripts shall not be counted as work time for any purpose except during the period between reporting and dismissal.

16. PUBLICITY INTERVIEWS AND STILLS

- A. Publicity Interviews: Time spent by the Performer in publicity interviews whether on a day the Performer works or otherwise, shall not be counted as work time for any purpose, but the performer shall be under no obligation to report for such interviews on days other than work days.
- B. Publicity Stills: If the Producer desires the services of the Performer on a day when the Performer is not otherwise engaged hereunder to make publicity stills, and if the Performer agrees to render such services, Performer shall receive fifty percent (50%) of the Day Performer rate for up to four (4) hours of services. Any time in excess of four (4) hours for any day spent solely in taking publicity stills shall require payment of the Day Performer minimum. Use of such stills is strictly limited to publicity of the Day Performer minimum. Use of such still is strictly limited to publicity of the Interactive Program itself and not for general client brochures, magazine ads, etc., which are unrelated to the Interactive program produced in which the Performer appears.

17. REHEARSAL TIME

31. MINORS

- A. Recognizing the special situation that arises when minor children are employed, the parties hereto have formulated the following guidelines to ensure that the work environment is a proper one for the minor: that the conditions of employment are not detrimental to the health, education and morals of the minor, "morals" being defined as set forth in the penal code of the applicable state of employment; and that the best interest of the minor be the primary consideration of the parent and the adults in charge of the production, with due regard to the age of the minor.
- B. A "minor" is: any Performer under the age of eighteen (18) years or legal age of majority in the state in which services are performed, except that it shall not include any such Performer if the Performer is legally emancipated, legally married, or a member of the United States armed forces.
- C. A "parent" is a parent or other adult who has the legal right to act as guardian of the child. A guardian, who shall be not less than the age of majority in the state in which the services are rendered, may be appointed by the parent to fulfill the supervisory functions of the parent required by this Agreement, provided that: (i) Producer is provided with written certification of such appointment by the parent; and (ii) such appointment confers legal authority of the parent to such guardian. In such instance where a parent has appointed a guardian to supervise the child's services hereunder, the term "parent" shall be deemed to include such guardian.
- D. Interviews, Tests and Fittings: Calls for interviews, tests and fittings for minor shall not take place at any time during which the minor would otherwise be attending school, and shall be completed prior to 7:00 p.m. Two (2) adults shall be present at all times during any such sessions, and the minor shall not be removed from the reasonable, immediate proximity of the parent. Casting directors or other representatives of the Producer shall make reasonable efforts to safeguard the minor's health, well-being and dignity during these sessions and shall

not engage in any behavior which will embarrass, discredit, disconcert, or otherwise compromise the dignity and mental attitude of the minor.

E. Engagement:

1. Producer shall advise the parent of the minor of the terms and conditions of the employment (studio location, estimated hours, hazardous work, special abilities required, etc.) to the extent that they are known at the time of hiring.
2. Prior to the first date of engagement, the parent shall obtain, complete and submit to the Producer or its representative the appropriate documents required by State and local law related to the employment of a minor.
3. Upon employment of any minor in any areas outside of California, Producer shall notify the Guild local office by telephone where such employment will take place. The Union will acknowledge receipt of this information to Producer in writing.

F. Meals: Whenever Producer supplies meals or other food or beverages to the cast or crew, the same shall be furnished to all minors. Regarding beverages, this provision is applicable only in those situations where Producer supplies beverages to the cast and crew and is not applicable where isolated groups may supply their own beverages (e.g., prop trucks with cooler for beverages). When meals are served to minors, tables and seats shall be made available for them. No time shall be deducted from work time for any meal supplied by producer until the minors are given the opportunity to get in the line for the actual feeding. "Meal" means an adequate, well-balanced serving of a variety of wholesome, nutritious foods. The furnishing of snacks, such as hot dogs or hamburgers, to minors by Producer shall not constitute a meal period. Meals supplied by the Producer shall not be deducted from the minors' wage but may be deducted from the per diem.

G. Supervision:

1. A parent must be present at all times while a minor is working, and shall have the right, subject to the production requirements, to be within sight and sound of the minor. The parent shall not interfere with the production or bring other minors not engaged by Producer to the studio or location.
2. A parent will accompany a minor to wardrobe, makeup, hairdressing, and dressing room facilities. No dressing room shall be occupied simultaneously by a minor and an adult Performer or by minors of the opposite sex.
3. No minor shall be required to work in a situation which places the child in clear and present danger to life or limb. If a minor believes he or she to be in such a dangerous situation after having discussed the matter with the stunt coordinator and parent, then the minor shall not be required to perform in such situation regardless of the validity of his or her belief.
4. When a Producer engages a minor, Producer must designate one individual on each set to coordinate all matters relating to the welfare of the minor and shall notify the minor's parent of the name of such individual.
5. When a minor is required to travel to and from location, the Producer shall provide minor's parent with the same transportation, lodging, meals, mealtimes, and per diem allowance provided to the minor.

6. Whenever Federal, State or local laws so require, a qualified child care person (e.g., LPN, RN or Social Worker) shall be present on the set during the work day.

H. Play Area: Producer will provide a safe and secure place for minors to rest and play.

I. Working Hours: When a minor is at location, the minor must leave location as soon as reasonably possible following the end of his or her working day. Minors' maximum hours of work shall be as outlined below (does not include meal time):

<u>Age of Minor</u>	<u>Maximum Hours Of Work</u>	<u>End of Day</u>
0-5 years	6 hours	7:00 p.m.
6-11 years	8 hours	8:00 p.m./school days 10:00 p.m./non-school days

J. Unusual Physical, Athletic or Acrobatic Ability

1. A minor may be asked to perform unusual physical, athletic and/or acrobatic activity or stunts, provided that the minor and parent represent that the minor is fully capable of performing such activity and the parent grants prior written consent thereto.
2. If the nature of the activity so requires, a person qualified by training and/or experience with respect to the activity involved will be present at the time of production.
3. Producer will supply any equipment needed and/or requested for safety reasons.

K. Child Labor Laws

1. Producer agrees to determine and comply with all applicable child labor laws governing the employment of minors, and, if one is readily available, shall keep a summary of said laws in the production office.
2. Any provisions of this Section 31 which are inconsistent and less restrictive than any other child labor law or regulation in the applicable state or other applicable jurisdiction, shall be deemed modified to comply with such law or regulation.
3. Inconsistent terms: The provisions of this Section 31 shall prevail over any inconsistent and less restrictive terms contained in any other Sections of this Agreement which would otherwise be applicable to the employment of the minor, but such terms shall be ineffective only to the extent of such inconsistency without invalidating the remainder of such provision.

L. Medical Care

Prior to a minor's first call, Producer shall be provided with the written consent of the minor's parent for medical care in the case of an emergency. However, if the parent refuses to provide such consent because of religious convictions, Producer shall have the right to require written consent for external emergency aid for the child should such need arise.

32. INDEMNIFICATION

- A. Producer shall indemnify and hold the Performer harmless from and against any liability, loss, damages, and costs, including reasonable counsel's fees, by reason of any injury or damages incurred by a third party, including any other member of the cast, production staff, crew or any other person, firm, or corporation, which injury or damages are caused by another Performer's performance (including stunts) which occurs under the direction and control of Producer within the scope of the Performer's employment by Producer. Performer shall immediately notify Producer of any such pending or threatened legal action and the Producer shall, at its own cost and expense and without undue delay, provide the defense thereof. Performer shall cooperate with Producer as requested by Producer in the defense of any such action. No settlement shall be effected with respect to any such action by Performer without the express consent of Producer.
- B. A stunt coordinator engaged pursuant to this Agreement who is acting within the scope of employment shall be entitled to indemnification in the same manner and to the same extent as specified in Subsection 32.A above, if said stunt coordinator was directly employed by Producer.
- C. Nothing contained herein shall be deemed to confer greater liability on Producer than that which may be conferred by law, regulation, or statute.

33. CAST CREDITS

Producer agrees to include names of principal Performers in the credits listed in game software only, provided that an inadvertent failure to do so will not be deemed to be a violation of the agreement. Producers agree to provide credits to an industry web site identified by the Industry Cooperative Committee as an appropriate industry website and make corrections of inadvertent errors or omissions that appear on the web site. Credits shall be in a color, size and style which is readily readable consistent with industry standards.

34. MISCELLANEOUS

- A. An on-camera Performer who gives an off-camera narration other than as the character portrayed on-camera, shall be paid full additional off-camera wages for such narration.
- B. All employment of Performers in Interactive Programs shall be under one of the forms of hiring specified herein, except to the extent specified in Article I, Section 38.
- C. If any Program includes a union label, the Guild shall have the right to have its label incorporated into the Program.
- D. Producer shall maintain a telephone within a reasonable distance on all locations where practical.

The following constitutes acceptable standards of animal treatment: (i) Producer shall make known throughout its organization its own insistence on the humane treatment of animals; (ii) Producer shall cooperate with the American Humane Association on Programs involving the use of animals when appropriate; and (iii) Producer shall require its production staff to observe adequate safeguards against the cruelty or killing of animals on or off-camera.

At the time an offer of employment is extended to a performer, the Producer will notify the performer or his or her agent of the general nature of the work involved and whether voice-matching or vocally stressful work is contemplated.

37. CLEANLINESS

The parties will establish a joint committee to explore alternatives for promoting the efficient administration of the SAG Interactive Media Agreement.

39. NOTICE TO SAG

The Producer shall notify SAG not less than five (5) days before the first scheduled recording session in connection with a new videogame or interactive program, provided as follows: In recognition of the fact that programs often are highly-confidential and proprietary and that Producers may be subject to confidentiality limitations imposed by customers, the requisite notice may identify the videogame or

- B. In the event of a conflict between the provisions of Article II applicable to Background Actors by this reference and the provisions of this article III, the provisions of Article III shall govern.

2. INSERTS

- A. Background Actors notified in advance may do inserts for a single Interactive Program for the same day's pay. Background Actors notified in advance and specifically called to do inserts in two (2) or more Programs in the same day, may do up to and including five (5) such inserts for the same day's pay, but shall be paid an additional day's pay for each five (5) additional inserts thereafter (or fraction thereof). For example, if he/she does a total of seven (7) such inserts in one day, he/she would be entitled to two (2) days' pay. If he/she does a total of fifteen (15) such inserts in one day, he/she would be entitled to three (3) days' pay.
- B. Background Actors notified in advance may do wardrobe tests for more than one Program for the same day's pay.
- C. No Background Actor shall be permitted to perform any work for more than one Program for the same day's pay, including Overtime, except for: inserts; wardrobe tests; work for different Platforms of the same Program.

3. WAIVERS

- A. If a Producer request a waiver affecting Background Actors, the Guild will issue the waiver without the imposition of any conditions if it believes that the Producer is entitled thereto. In the absence of misstatement or concealment of the facts the waiver will be final. If the Guild believes that the Producer is not entitled to such final waiver, it shall issue a reviewable waiver (which is equivalent to a refusal of a waiver), or it may issue a conditional waiver wherein it will designate the conditions upon which it is willing to have the Producer proceed. Producer may either accept such conditions or refuse to accept the same.
- B. If a conditional waiver is issued and the Producer rejects the conditions thereof, or if the Guild issues a reviewable waiver, the Producer may nevertheless proceed as though a final waiver had been issued. If the Producer proceeds without first obtaining a final waiver or without complying with the conditional waiver, it shall notify the Guild in writing to that effect within a reasonable time thereafter.
- C. Either party shall have the right to invoke the arbitration procedure as provided in Article I, Section 37, to resolve any dispute regarding waivers.
- D. All waivers shall be requested as far in advance as reasonably possible and shall be acted upon promptly by the Guild. If the Guild fails to do so, the Producer may proceed as though the Guild had issued a reviewable waiver, by so notifying the Guild in writing.
- E. The application for a waiver by any Producer shall not be deemed an admission that the Producer cannot proceed without obtaining such waiver, nor shall the issuance by the Guild of a waiver be an admission that the Producer is entitled to such a waiver.

4. HAZARDOUS WORK

- A. When Background Actors are required to do night work, "wet" work, or work of a rough or dangerous character, the Producer shall notify the Background Actors at the time of the call. When a Background Actor is not so notified, he/she shall be given the option of refusing to perform the work. If he/she refuses, he/she must be paid for all time elapsed from the time he/she is called until he/she is dismissed or one half (½) day's pay, whatever is greater. Such refusal shall not result in discrimination against such Background Actor.
- B. Background Actors who are hired at Scale, and who thereafter accept hazardous work, shall be entitled to additional compensation. The amount of additional compensation shall be agreed to between the Background Actor and the Producer, or the Producer's representative, prior to the performance of such work.
- C. The Producer will not deliberately hire anyone but Qualified Professional Background Actors to perform hazardous Background Actor work in accordance with this agreement. No stunt person hired as such may be employed for Background Actor work on location except for bona fide emergencies not within the contemplation of the Producer. No stunt person hired as such may be employed for Background Actor work at the studio on the day he/she was employed as a stunt person on the same production. Upon a written request from the Guild, the Producer will submit a report to the Guild indicating whether any stunt persons have been employed on a particular Program. Upon the written request of the Guild, the Producer will also furnish a copy of the script involved and make a tape available to the Guild for viewing.
- D. For violation of this Section 4, the following Liquidated Damages shall apply per person per day: \$215.00 for the first violation; \$350.00 for the second and each succeeding violation.

These Liquidated Damages shall not apply if there is a bona fide dispute as to whether the work is "Background Actor work" or "Stunt work."

5. WET, SNOW AND SMOKE WORK

A Background Actor required to get wet, or to work in snow or in smoke shall receive additional compensation of \$14.00 per day. A Background Actor not notified at the time of booking that wet, snow or smoke work was required may refuse to perform in wet, snow or smoke and, if so, shall receive one half day's pay or the actual hours worked, whichever is greater.

6. BODY MAKEUP, SKULL CAP, HAIR GOODS

A Background Actor who is directed to and does have body makeup or oil applied to more than fifty percent (50%) of his/her body and/or who is required to and does wear a rubber skull cap, and/or who is required to and does wear hair goods affixed with spirit gum (specified as full beards, mutton chops or a combination of goatee and mustache) and/or who, at the time of his/her employment, is required to and does wear his/her own natural full-grown beard as a condition of employment, shall be entitled to additional compensation of eighteen dollars (\$18.00) per day.

It is also understood and agreed that any female Background Actor required to have body makeup applied to her arms, shoulders and chest while wearing a self-furnished low-cut gown, and any Background Actor, male or female, required to have body makeup applied to his or her full arms and legs shall be entitled to such additional compensation therefor.

7. INTERVIEWS

- A. Background Actors reporting for an interview shall receive an allowance for the first two (2) hours of the interview in the amount of five dollars (\$5.00). For additional time of the interview, Background Actors shall be paid in units of two (2) hours at the specified regular hourly rate for the call being filled. If, within any period of interview time, any recording or photography, still or otherwise, is done for use in any production, Background Actors shall be paid the agreed daily wage; except that still pictures to be used exclusively for identification of the Background Actor or wardrobe may be taken by Producer without making such payment.
- B. Upon completion of the interview the Background Actor shall be notified whether or not he/she has been selected, and he/she shall be advised as to the daily or weekly rate of compensation to be paid. If the Background Actor is not used in the production for which he/she was selected, he/she shall be paid the agreed wage (one (1) day or one (1) week) unless the Background Actor is not available when called, in which event he/she shall not be entitled to any payment.
- C. The Producer agrees to give the Guild written notification within forty-eight (48) hours after the interview, as to persons so selected on interview.
- D. A Background Actor required to report for a second interview for the same job shall be paid not less than two (2) hours pay at the established daily rate.
- E. Background Actors who are required to and do report for an interview in dress clothes shall be paid an additional six dollars (\$6.00) over and above the regular interview allowance.

8. SIXTEEN-HOUR RULE

- A. Background Actors shall not be employed in excess of a total of sixteen (16) hours, including meal periods, travel time and actual time required to turn in wardrobe or property, in any one day of twenty-four (24) hours.
- B. The Liquidated Damages for violation of the foregoing sixteen (16) hour rule shall be one (1) day's pay (at the Background Actor's daily rate including any additional compensation) for each hour, or fraction thereof, of such violation. Such damages shall be paid at straight time, unless the violation occurs on a day for which double-time is provided under Article II, Section 20.A. above.
- C. This provision shall not apply in any case where such violation occurred as a result of circumstances or conditions, other than production considerations or conditions, beyond the control of the Producer with respect to or affecting the return of such Background Actors from location. Where the Liquidated Damage payment is excused the Background Actor shall receive all applicable Overtime. The Guild will not claim any breach of contract resulting from the violation of the sixteen (16) hour rule unless the damages specified above are incurred and not paid.

9. CALL BACKS

- A. A "call back," as the phrase is used herein, means instruction by the Producer to the Background Actor given prior to the dismissal of such Background Actor to return to work on the same Interactive Program.
- B. Producer agrees that call backs for Background Actors shall be made as early as possible on the day prior to that specified in such call back. When given a definite call back, a Background Actor may not be canceled with respect thereto after 4:30 p.m. of that day, except in accordance with the provisions of Sections 10 and 11 of this Article III. Unless the Background Actor has been given a definite "call back" to return the following day by 5:00 p.m. of a particular day of which shooting commences prior to 2:00 p.m., he/she shall be free to seek and accept other employment commitments.
- C. Notwithstanding the foregoing, if the Background Actor is established so that he/she cannot be replaced and the Producer requires his/her services on the following work day by giving him/her a definite call back, the Background Actor shall report pursuant to such call back. A Background Actor, who is given a call back after accepting another employment commitment and who must report pursuant to such call back because he/she has been established and cannot be replaced, will receive the assistance of the Producer giving the call back or its designated casting agency in arranging for him/her to be relieved of such other employment commitment.

10. CANCELLATION OF CALLS

- A. The Producer shall have the right to cancel any call for any of the following reasons beyond his/her control: (1) illness in principal cast; (2) fire, flood or other similar catastrophe or event of force majeure; or (3) governmental regulations or order issued due to a national emergency. In the event of any such cancellation, the Background Actor so canceled shall receive a one-half (½) day's pay, except as provided in Subsections D. and G. below.
- B. The Producer shall be entitled to hold and use such Background Actors for four (4) hours only to the extent herein provided. For each additional two (2) hours or fraction thereof, the Background Actor shall receive a one-quarter (1/4) day's pay.

- C. During the time which the Background Actor is so held, the Producer has the privilege of putting the Background Actor into costume, rehearsing, or making other use of his/her services. If, however, any recordation or photography is done, whether still pictures or otherwise, Background Actors shall be paid the agreed daily wage.
- D. If any Background Actor is notified of such cancellation before 6:00 p.m. of the work day previous to the work date specified in such call, or is otherwise employed on the same work date by the same production Producer at a rate equal to or higher than the rate applicable to such Background Actor as specified in such canceled call, he/she shall not be entitled to such one-half ($\frac{1}{2}$) day's pay.
- E. If the Background Actor's second work assignment is for a time to commence less than four (4) hours after the time of his/her canceled call, the Background Actor shall receive in lieu of the one-half ($\frac{1}{2}$) day's pay an allowance for the cancellation of the call on a straight time hourly basis, computed in thirty (30) minute units from the time of the first call to the time of his/her second call. Overtime, if any, on the second work assignment is computed without reference to the first call. If the second work assignment is for a time to commence more than four (4) hours after the time of his/her canceled call, the Background Actor shall receive the one-half ($\frac{1}{2}$) day's pay. Overtime, if any, shall be computed without reference to the first call.
- F. If a Background Actor has not been notified as contemplated by Subsection D. above, then notice must be posted at the hour designated for the call, stating that the set will not work.
- G. Nothing herein contained shall enlarge the Producer's right to cancel calls.

11. WEATHER PERMITTING CALLS

- A. When scheduled photography is canceled by Producer because of weather conditions, Background Actors reporting pursuant to a "weather permitting" call shall be paid one-half ($\frac{1}{2}$) day's pay, which shall entitle the Producer to hold the Background Actor for not more than four (4) hours; the Background Actor shall receive a one-quarter ($\frac{1}{4}$) day's pay for each additional two (2) hours or fraction thereof, during which he/she is thereafter held.
- B. During this time the Producer may costume, rehearse or otherwise use the Background Actor on the specified photoplay, except for recording or photography still or otherwise, of such Background Actor.
- C. If the Background Actor is used for such recording or photographing, he/she shall receive a day's pay.
- D. The Background Actor may cancel a weather permitting call previously accepted by notifying the agency which issued the call prior to 7:30 p.m. or the closing time of such agency, whichever is earlier, unless he/she has been established in the picture.
- E. Weather permitting calls shall not be issued for stages in studios, nor shall a weather permitting call back be issued to any Background Actor after he/she has been established.
- F. When a weather permitting call is given, the Producer must specify that the Background Actor is to work: (1) if it is raining; (2) if it is cloudy; or (3) if the sun is shining; provided that if any other special type of weather is a condition precedent to the Background Actor working, the same may be specified, but must be described sufficiently so as to be capable of understanding by an Background Actor

- G. Producer agrees that it will not request the Background Actors to call in the early morning hours of the following day for a possible weather permitting call.

12. UNDIRECTED SCENES

Upon request of Producer, the Guild will grant an automatic and unconditional waiver whereby the Producer may photograph long shots of the normal activities of crowds at public events or crowd scenes. The events must be open to the general public and publicized as such. The crowd so photographed shall appear only as atmospheric background except that Background Actors or photographic doubles may be used if the Producer stages one or more tie-in shots using Qualified Professional Performers and/or Background Actors in connection with such tie-in scenes.

13. OMNIES

Any Background Actor who speaks atmospheric words, commonly known in the industry as "omnies," shall be entitled to the basic wage for the particular call.

14. HIRING PRACTICES

- A. No Background Actor shall be employed on account of personal favoritism.
- B. Rotation of work shall be established to such reasonable degree as may be possible and practicable.
- C. No person having authority from the Producer to hire, employ or direct the services of Background Actors shall demand or accept any fee, gift, or other remuneration in consideration of hiring or employing any person to perform work or services as a Background Actor, or permitting such person to continue in said employment.
